

SeaLand® Convenience Products

Premium comfort, proven value

Specially designed for VacuFlush®, MasterFlush®, and other marine toilets, SeaLand Toilet Tissues result in free-flowing, easy-discharging toilet systems – unlike other brands with adhesives that can prevent tissue from breaking apart.

SeaLand® Rapid-dissolving Toilet Tissue

- Single-ply tissue provides home-like comfort
- 500 sheets per roll – made of 100% recycled fibers

SeaLand® ULTRA 2-ply Toilet Tissue

- Extra-soft double-ply comfort in a rapid-dissolving tissue
- Breaks up quickly to prevent clogs
- 500 sheets per roll – made of 100% recycled fibers

100% RECYCLED !
No dyes or perfumes

ITEM	DESCRIPTION
379441204	1-ply toilet tissue, 4 rolls, 500 sheets per roll
379441205	2-ply toilet tissue, 4 rolls, 500 sheets per roll

SeaLand® Max Control Advanced Holding Tank Treatments

Get the most powerful, longest-lasting odor control without formaldehyde with this complete line of “Advanced” formula products. Designed by one of the world’s largest marine toilet manufacturers, these additives keep entire toilet systems in optimum working condition.

- Longest-lasting waste tank odor control – even in hot weather
- Breaks down waste and toilet tissue for clog-free performance, easy and thorough tank discharge
- Choice of liquid, drop-in or pre-measured granulated products
- Liquids are optimal for keeping VacuFlush® and other toilet system seals, valves, tanks and sensors clean and lubricated
- Translucent bottles include fluid level increment marks
- Drop-ins are compatible with MasterFlush® electric macerator toilets and SeaLand® gravity-discharge toilets

SeaLand® Convenience Products

Multi-purpose Toilet Cleaners

Clean 'n Green™ Bowl Cleaner and Tank Treatment

Clean any marine toilet, freshen the air, and control holding tank odors with this versatile 3-in-1 toilet system product. Each pre-measured drop-in packet effervesces on contact with bowl water to begin cleaning. Bubbling action also releases pleasant fragrance. After cleaning, natural enzymes help deodorize the holding tank.

- Pre-measured 2-oz. drop-in packets
- One treatment freshens air, cleans bowl, deodorizes tank
- Non-toxic, non-staining formula – 100% biodegradable
- Enzymes break down waste and toilet tissue
- One drop-in treats up to a 40-gallon (151 l) tank

ITEM	DESCRIPTION
379711201 ◆	12-count 2-oz. Clean 'n Green drop-ins, reusable tub
379711202 ◆	Trial pack 2-oz. Clean 'n Green drop-in, retail foil pouch

NEW PACKAGE !

SeaLand® Toilet Bowl & Seal Cleaner

Remove tough grime from toilets in two minutes with the powerful cleaning action of SeaLand Toilet Bowl & Seal Cleaner. It's formulated to dissolve mineral deposits that can build up over time – especially between the flush ball and bowl seal on many marine and RV toilets which can result in slow leaks if not periodically cleaned.

- Thick formula stays under rim; requires 20% less than other cleaners
- Fresh mint scent
- Non-toxic, biodegradable

ITEM	DESCRIPTION
379721601 ◆	26-oz. bottle, SeaLand Toilet Bowl & Seal Cleaner liquid
